

*****Respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.*****

And for what absurd reason would you even think about NOT informing the driving public in regards to Instant Traffic and Weather??? This is an absolute safety factor especially for those that drive distances/out of town.etc and this way we are kept informed.

Now, I am certain you don't have more important matters to conquer.

In regards,
Anne Morrison
